1. I am submitting an application for employment to ("the Company").
2. The information I have provided on this application is true and complete to the best of my knowledge. Any misrepresentation or omission of any fact in my application, resume or any other materials, or during any interviews, can be justification for refusal of employment or, if employed, termination from employment.
3. Any offer of employment I may receive is contingent upon my successful completion of any screening process, including the Company receiving references that they consider satisfactory.
4. In processing this application, the Company may verify the information provided by me, or may procure or have prepared a consumer or investigative consumer report concerning my work history, education, character, reputation, background, and conviction record (if and as permitted by law). I understand that upon written request to the Company, I will be informed of whether an investigative consumer report was requested and given full information as to the nature and scope of this investigation.
5. I authorize and request that my present and former employers, educational institutions attended, and references furnish information regarding my work history, education, character, reputation, and background. I hereby release the Company and all providers of information from any and all liability relating to or arising from furnishing the requested information.
6. After receiving an offer of employment, I may be required by the Company to undergo a pre-employment medical examination and/or screening for alcohol and/or drugs, with the offer of employment conditioned on the result of such examination or screening. If employed, I agree to submit to a medical examination (or screening for alcohol and/or drugs) at the Company's request, consistent with applicable law. I hereby consent to having the results of any pre- or post-employment medical examinations and/or screening for alcohol and/or drugs disclosed to the appropriate company official.
7. I agree to maintain the confidentiality of any proprietary information of the Company, including client lists, personnel information, internal communications, computer programs, price lists, business plans, financial statements, information pertaining to lawsuits or other legal proceedings, training programs, and product development. I agree that the use, communication, duplication and/or distribution of such information for personal benefit or for the benefit of another person, company, or entity other than the Company may be grounds for disciplinary action, up to and including dismissal, and may also result in legal action.
8. This application is not an implied or express contract of employment and cannot create a contract of employment for any specific period. I understand that if I am offered employment, to the extent not inconsistent with any applicable collective bargaining agreement, my employment will be "at will" and can be terminated at any time by me or the Company, with or without cause or prior notice.

ARBITRATION POLICY

Because of the delay and expense that results from the use of the federal and state court systems, the Company requires, as a term and condition of employment and/or continued employment, that all of its employees agree to submit to binding arbitration any controversies concerning compensation, employment, or termination of employment, rather than to use the court system. If I am offered employment, I expressly and knowingly agree that if any dispute should ever arise between myself and the Company and/or arising out of any transaction or occurrence at my workplace, concerning any aspect of my employment including, but not limited to, my compensation, the terms and conditions of my employment, harassment and/or discrimination of myself in the workplace and/or connected with work, or termination of my employment, such dispute(s) shall be submitted to binding, mandatory and exclusive arbitration and I shall not attempt to use any court or judicial system to adjudicate such dispute(s).
